

Technical drawing of a rectangular panel. The panel features a mesh top section and a solid bottom section with a central handle. Dimensions are indicated on the right side: 350 for the height of the mesh section and 115 for the height of the bottom section.

Technical drawing of a rectangular plate with four circular holes. The plate has a height of 440. The distance between the centers of the first two holes is labeled A-50, and the total distance between the centers of the first and last holes is labeled A. The diameter of the holes is indicated as $\varnothing 150$.

Technical drawing of a rectangular plate. The drawing shows a rectangle with a double-line border. At each of the four corners, there is a small icon representing a fastener or clip. To the right of the rectangle, two vertical dimension lines are shown. The left dimension line is labeled '1220' and the right dimension line is labeled '1270'. A green circle is drawn around the bottom-left corner of the rectangle.
